The reviewing officer shall assess whether the evidence shows that the violation occurred and if any extenuating circumstances exist that warrant dismissal, and shall make a decision to preliminarily uphold or dismiss the citation. The reviewing officer shall notify the cited person of the decision in writing by mail and/or email within ninety (90) calendar days from the date of receipt of the request for initial review; provided, however, that the public safety director or development services director may extend the ninety (90) day deadline upon a finding of good cause.

B. Initial review of ability to pay.

1. A cited person, regardless of whether he/she wishes to challenge the citation who believes he/she is unable to pay, may request an initial review of the person's ability to pay. In addition to the written request for review based on ability to pay, a statement of financial worth shall be submitted. The request must include a mailing address and, if available, an email address to which correspondence related to the request may be sent. The written request for an initial review must be received by the city clerk's office within fourteen (14) calendar days from the date of the citation's issuance. No fee shall be required for filing the request for an initial review. Failure of the city clerk to receive a timely request for an initial review constitutes a waiver of the right to challenge the ability to pay. In this event, the citation is final and binding, and payment shall be due within thirty (30) calendar days from the date of the citation's issuance; provided, however, that if the cited person timely filed a request for review of the administrative citation, the payment of the citation will be due in accordance with the outcome of that initial review and any subsequent proceedings.
2. The statement of financial worth form shall include information relating to the cited person's employer, real and tangible personal property, monthly income including federal and/or state benefits, and all monthly financial obligations. The cited person shall certify the content of the statement as to its truth and correctness under penalty of perjury. The cited person shall also sign a release form of that person's most recent federal income tax report.
3. The reviewer, in conference with the director, shall make a determination of whether or not the cited person has the ability to pay the full deposit to appeal an administrative citation based on the information provided in the statement of financial worth, and shall notify the cited person in writing by mail and/or email within ninety (90) calendar days from the date of receipt of the request for initial review; provided, however, that the public safety director or development services director may extend the ninety (90) day deadline upon a finding of good cause.
4. A person who requested an initial review solely on the basis of ability to pay, for whom the determination has been made that the person has the financial ability to pay

the full amount of the citation in one (1) payment, shall submit payment of the full amount of the citation within thirty (30) calendar days from the date of the notice of determination of ability to pay.

5. A person for whom the determination has been made that the person does not have the ability to pay the full amount of the citation in one (1) payment, shall, no later than fourteen (14) calendar days from the date of the determination, coordinate with the department to establish a payment plan whereby the cited person shall make timely monthly payments until the citation has been paid in full.

#### **17.42.180 Administrative hearing.**

- A. A person whose initial review of an administrative citation has resulted in the citation being upheld pursuant to this chapter may contest the citation by filing a written appeal on a city-approved form to the city clerk within fourteen (14) calendar days from the date of the issuance of the written statement of the results of the initial review. The basis for the appeal must be specified in detail on the appeal form. The appeal form must include a mailing address and, if available, an email address to which correspondence related to the request may be sent. Failure of the city clerk to receive a timely appeal constitutes a waiver of the right to contest a citation; in this event, the citation is final and binding.
- B. A deposit in the amount of the citation must be paid at the time the appeal is filed. A person for whom a determination has been made that the person is unable to pay the full amount of the citation in one (1) payment as set forth in section 17.42.170 B.(5) of this chapter shall tender the first payment of the payment plan established pursuant to that subsection.
- C. As soon as practicable after a timely appeal is filed, the city manager or his/her designee shall fix a date, time and place for a hearing. The hearing shall be conducted by an independent and impartial hearing officer. Written notice of the time and place for the hearing shall be served by first class mail and/or email at least ten (10) calendar days prior to the date of the hearing.
- D. An appellant may request, in writing, that the director reschedule the hearing if the request is made at least twenty-four (24) hours prior to the hearing. The director shall grant one (1) continuance of the hearing date.
- E. Failure of an appellant to appear at the scheduled hearing shall constitute the appellant's waiver of the right to appeal and a forfeiture of the citation amount deposited at the time the appeal was filed.
- F. Appeal hearings are informal, and formal rules of evidence and discovery do not apply. The city bears the burden of proof to establish, by a preponderance of evidence, that the appellant committed the offense that was the basis for the citation. The officer issuing the administrative citation and/or submitting the written incident report or statement of facts shall not be required to appear at the hearing. The hearing officer shall accept testimony by declaration under penalty of perjury relating to the commission of the offense, as set forth in the issuing officer's incident report or statement of facts, and shall consider any other relevant evidence concerning the commission of the offense that the public safety director or development services director or his/her designee may present at the hearing. The hearing officer shall also take the testimony of the appellant, and/or his or her witnesses, will

consider any other credible relevant rebuttal evidence the appellant may wish to present. The appellant may represent himself or herself or be represented by anyone of his or her choice, including counsel, at his or her sole expense. The appellant may bring an interpreter to the hearing at his or her sole expense.

- G. The hearing officer shall make findings based on the record of the hearing, and shall prepare a written decision, based on those findings, to uphold or dismiss the citation. A hearing officer may uphold the citation but modify the penalty amount if extenuating circumstances warrant a modification in the interest of justice. A copy of the written decision shall be served on the appellant by first class mail within fourteen (14) days after the hearing. If the citation is dismissed, the city shall refund the amount of the citation deposit to the appellant within thirty (30) days from the date of the decision.
- H. The decision of the hearing officer is final and conclusive, subject only to review by the superior court in accordance with the time limits set forth in Code of Civil Procedure Section 1094.6.

#### **17.42.190 Community service in lieu of payment of penalty.**

- A. As an alternative to paying the amount of the administrative citation, a cited person may elect to enroll in and perform community service. The amount of the citation shall be reduced for each hour of community service at a rate in accordance with the state's minimum wage in effect at the time the community service is performed.
- B. In the event a person who has enrolled in community service fails or refuses to perform the community service in a timely and appropriate manner, as provided in any applicable rules, regulations, policies and procedures, the city may cancel the community service agreement and collect any unpaid balance of the administrative citation in any manner authorized by law.

#### **17.42.200 Severability.**

If any section, subsection, paragraph, sentence, clause or phrase of this chapter is declared by a court of competent jurisdiction to be unconstitutional or otherwise invalid, such decision shall not affect the validity of the remaining portions of this chapter. The city council declares that it would have adopted this chapter, and each section, subsection, sentence, clause, phrase or portion thereof, irrespective of the fact that any one (1) or more sections, subsections, phrases, or portions be declared invalid or unconstitutional.
