From: Rosa Cardenas, Senior Administrative Assistant

Subject: Animal Control Services Agreement

---

### **Recommendation:**

Approve the renewal of the City-County Municipal Services Agreement and Service Level Request between the City of Lancaster and the County of Los Angeles for Animal Control Services provided by the Los Angeles County Animal Care and Control (LACACC); and authorize the City Manager, or his designee, to sign all documents.

### **Fiscal Impact:**

\$1,260,000; sufficient funds are available in account 101-4820-363. All animal control service contract costs are considered and approved annually by the City Council as a component of the City's budget development and adoption process.

### **Background:**

In July 2019, the City Council entered into the current annual City-County Municipal Services Agreement with the County of Los Angeles for animal control services provided by the Los Angeles County Animal Care and Control (LACACC). That agreement expires on June 30, 2024.

Under the proposed renewal agreement, LACACC would continue to provide general animal control services within the city limits of the City of Lancaster. Per the terms of the agreement effective from July 1, 2022 through June 30, 2024, unless terminated sooner per procedures outlined in the agreement. Specific provisions of animal control activities are directed by the City through the City budget process, city ordinances, the LACACC City-County Municipal Services Agreement and overall management of animal control operations and programs by City Public Safety staff and LACACC command staff.
