From: Rodrick Armalin, Director of Public Safety

Subject: Purchase and Installation of Public Safety Community Office Camera & Door Access Control Panels

---

### **Recommendation:**

Approve the following:

The purchase and installation of cameras for the Public Safety Community Office. There will be 18 Cameras, 2 Security Door Access Control Panels, One Node and One Equipment Rack purchased for a cost of \$154,041.19. This project includes a 10-year license to access application to view cameras and camera footage which will be stored in the cloud. This is one of many parts of the multi-part program to update City security.

### **Fiscal Impact:**

The City's Fiscal Year 2022-2023 budget includes the funding of \$154,041.19 for the proposed Public Safety Community Office from account 101-4800-301.

### **Background:**

The City of Lancaster has looked into installing a camera system on the Public Safety Community Office to enhance safety and security. The City followed the CMAS process, with EKC Enterprises receiving the work.
