Subject: Approval of Increase in Purchase Price for PB Loader Truck and Patcher Box

---

**Recommendation:**

Approve the increase in purchase price for the PB Loader Truck and Patcher Box in the amount of \$12,382.18 (plus 10% contingency) due to supply chain increases.

**Fiscal Impact:**

\$12,382.18 (plus 10% contingency); with these actions, sufficient funds are available in Operating Account Number 203-4753-753.

**Background:**

This purchase was originally approved at the December 14, 2021, Council Meeting, and was funded with road bond funds. This truck will provide Public Works maintenance crews a more efficient and effective way to maintain the 1,700 Citywide lane-miles. The purchase was done by utilizing the Sourcewell Cooperative Purchasing Contract.

PB Loader was awarded contract number 080521-PBL by Sourcewell Cooperative Purchasing (formerly National Joint Powers Alliance). Bid documents meet all State and City requirements for competitive procurement. A copy of the contract is on file in the City's Purchasing Office.
